10 Ways Sponsors Can Help Champion's FIRST Robotics Team!

1. Donate materials for the robot.
2. Supply robot services: machining, welding, etc. help.
3. Provide engineering/technical mentors for a team. Any level of involvement is welcome.
4. Supply a meal (food) for the team during January and February (build season).
5. Donate t-shirts or banners, or give a discount on items.
6. Donate non-technical mentors or items for the team. Includes areas such as publicity, graphic design, web design/hosting, and transportation to competitions.
7. Donate food and/or beverages for the competition weekends.
8. Donate services, products or coupons to use in a raffle.
9. Provide employment opportunities for team members.
10. Attend the competitions to support the team.

Send all donations to Champion High School, Attn: Robotics, 5976 Mahoning Ave., NW, Warren, OH 44483. Payment can be made out to Champion Robotics. Questions are encouraged; give us a chance to tell you more about the FIRST Robotics program by calling Barb Hummel: 330.507.6726.
